Preferred supplier for thousands of repair shops across Europe

Since its launch in 2014, Mobileparts.shop has gone on to hold the largest market share in Europe's independent mobile repair sector. Our **3,250 m²** warehouse holds over **7,000** unique products from **84 brands**. More than **5,000** mobile repair businesses, wholesalers, refurbishers, resellers and others have taken advantage of this wide range and our associated services to significantly grow their businesses. The proof is in our own turnover – **€70 million** in 2022. Our customers are served by some **85** dedicated employees in our three branches in the Netherlands, Austria and China.

How can we help you?

Remco Spreuwers - CEO

"Our mission? Working together with you, we provide a range of products and services that improve mobile device lifespan and user satisfaction. In this way, we can also significantly reduce CO2 emissions!"

Excellent
rated by Trustedshops.com

11 mrt. 2023 from *Peter M.*

Top company. Company with a vision. Open to feedback. High-quality products. Good warranty/return policy."

7 nov. 2022 from *Anonymous*

RMA is quickly handled. I have very rarely encountered any issues, and even if there is a problem with shipping, it is resolved in a professional manner. I will never go to another company."

15 sep. 2023 from *Anonymous*

Fast delivery. First-class parts. Great company to work with.
